

Be You Tattoo

Consultation Checklist

Bring this checklist with you to your tattoo consultation to ensure a smooth, thoughtful, and successful design process.

Before Your Consultation

- ☐ Gather reference images (styles, themes, inspiration — not exact copies)
- ☐ Think about the meaning or story behind your tattoo
- ☐ Decide on approximate size and placement
- ☐ Consider whether you prefer color or black & grey
- ☐ Set a realistic budget range
- ☐ Reflect on your pain tolerance and previous tattoo experiences (if any)

Questions to Ask Your Tattoo Artist

- ☐ How many design revisions are included?
- ☐ What sterilization and safety practices do you follow?
- ☐ What ink types do you use, and how do they age?
- ☐ How will this tattoo look in 5–10 years?
- ☐ What does short-term and long-term aftercare involve?
- ☐ Are touch-ups included or recommended?

What Your Artist May Ask You

- ☐ Your job or lifestyle considerations
- ☐ Sun exposure and activity level
- ☐ Skin tone and sensitivity
- ☐ Placement visibility preferences
- ☐ Future tattoo plans near this area

Tattoo Day Preparation

- ☐ Eat a good meal beforehand
- ☐ Stay hydrated
- ☐ Wear comfortable clothing that allows easy access to the tattoo area
- ☐ Bring required ID and deposit confirmation
- ☐ Review and approve final design before tattooing begins

At Be You Tattoo, every tattoo starts with intention, clarity, and care. This checklist helps ensure your tattoo experience is as meaningful as the artwork itself.
